

# PRODUCT SPOTLIGHT ON:

## Siphon King® Utility Pump

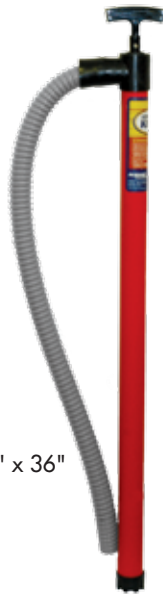

Coupler

72" Extension/  
Replacement Hose

Pump Foot Assembly

36" x 36"

### DID YOU KNOW THAT THE SIPHON KING:

#### Is available in four sizes?

Get a Siphon King pump specific to your application! Available in 24" pump with 36" hose, 36" pump with 36" or 72" hose, and 60" pump with 72" hose.

#### Is the best for the job?

That's right, this self priming, corrosion proof pump will remove one full gallon of water in four short strokes. Now that's a hand pump that knows how to get the job done.

#### Can be used... well, anywhere?

King Innovation's Siphon King pump is perfect for removing water from valve boxes, meter pits, pipe trenches... virtually anywhere water accumulates!

#### Can stretch even farther?

A 72" long extension hose for Siphon King pumps ensures that water is safely and quickly moved away from work sites.

#### Will last through job after job?

A replacement foot and hose is available for all regular sized Siphon King pump SKU's. This means an old pump can be as good as new in a few seconds, and will keep working hard along side you.
