

End of Line Saddle  
Fits 1" Poly Pipe

Universal  
SnapTap Saddle  
Fits 3/4", 1" and  
1 1/4" Poly Pipe

**DID YOU KNOW THAT UNIVERSAL SNAPTAP SADDLES:**

**Fit a variety of pipes, with only one saddle?**  
King Innovation's Universal SnapTap Saddles are, well, Universal! One saddle fits 3/4", 1" and 1 1/4" Poly (PE) Pipe, using an adjustable latch to secure each connection.

**Are the easiest saddles out there?**  
Simply put, these saddles are easy to install. They require no fittings and no clamps, just feature a short thread design to tighten saddles into place in a snap!

**Relieve stress on tired hands?**  
An ergonomic hurricane handle on King Innovation's Universal SnapTap Saddles provides comfortable, quick rotations for hard-worked hands.

**Have a patented cutting tip?**  
You have to see it to believe it. No tools required, the patented tip on King's Universal SnapTap Saddles quickly and cleanly penetrates poly pipe, for a tight seal every time.

**Help with SKU reduction?**  
One saddle, various fittings. The Universal SnapTap Saddles fit a variety of pipe, so you only need to carry one product to every job site!
